OVERVIEW

The purpose of the Family Violence Prevention and Services Act (FVPSA)- American Rescue Plan (ARP) supplemental funding to Support Survivors of Sexual Assault is to 1) assist with the transition to virtual/remote services for rape crisis centers, sexual assault programs, tribal programs, and culturally specific programs that provide crisis services, support services, and assistance to survivors of sexual assault, and 2) support the increased emergency needs of sexual assault survivors as a result of the COVID-19 public health emergency.

DFS intends to implement subawards with partners, herein *Respondents*, whose primary purpose is to provide direct intervention and related assistance to victims of sexual assault inclusive of, but not limited to rape crisis centers, sexual assault programs, tribal programs, culturally specific programs, LGBTQ+ organizations, and such programs within underserved communities.
